Journal Name

Copyright Terms

The undersigned (Authors) hereby certifies that they have the right to publish the material being submitted and that they grant permission to The Science and Information (SAI) Organization to publish their material online.

In addition:

1. Authors retain the right to publish extended versions of their material elsewhere, provided the original publication is acknowledged.
2. Authors retain the right to publish their work in on-line repositories, internal technical reports, etc.
3. Authors understand that The Science and Information (SAI) Organization does not pay honoraria to authors as all articles are published as open access.
4. Authors grant The Science and Information (SAI) Organization, the right to edit the material to meet the organization's standards.

General Terms

The undersigned represents that he/she has the power and authority to make and execute this assignment. The undersigned agrees to indemnify and hold harmless the The Science and Information (SAI) Organization from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.

In the event the above work is not accepted and published by the The Science and Information (SAI) Organization or is withdrawn by the author(s) before publication, the foregoing copyright transfer shall become null and void.

For jointly authored Works, all joint authors should sign, or one of the authors should sign as authorized agent for the others.
